

You can register today with Child Safe Zones...

A great use of your child's portrait!

A simple, effective scheme which helps you to help your child if they become lost, anywhere in the UK or abroad.

Tempest Photography is supporting Child Safe Zones, so you may use one of your small photographs to register.

Register online at: www.childsafezones.co.uk
or use the form provided on the back page of this leaflet

Going on holiday? A day out? A trip to the shops?

3 services in 1...

1 Contact details

Free wristbands and tags

A wristband or tag with your mobile phone number is the simplest way for someone to help reunite your child with you in the shortest possible time.

- Ideal for the beach, shopping, holidays and days out
- Receive free tags and wristbands when you register or order your bumper summer pack of 25 waterproof wristbands at £5 per pack.

2 Vital information

Secure and password protected, registration allows you to record and update information which could prove vital if your child is ever lost or involved in an accident:

- Mobile and emergency contact numbers
- Description and passport style photograph
- Medical details (allergies/medication)

This service is backed by a 24 hour Support Line, giving you access to the information you need, when you need it.

3 In an emergency

Your photo is stored electronically, allowing you to make it available to the police or local authorities in an emergency, saving vital time.

If you are in the UK or abroad you can either access your details or call our 24 hour Support Line and we will take your instructions to create a missing poster and send it to the local authorities.

We can translate the poster into European languages.

Once registered, you can make your child's picture available at any time, at home or abroad. Makes sense in any language!

**Now you are ready to go out
and have some fun!**
